

SURETY BONDING

Our Surety team at McLean Hallmark possesses over 20 years of experience and are leading specialists in the Surety field. We provide our clients with choice, flexibility, and competitive premium options. Working with leading Surety providers, we offer strong market relations to our clients in securing their bonding requirements.

At McLean Hallmark we pride ourselves on bringing our clients a wide range of resources which we refer to as Solutions Beyond Insurance. These are a combination of internal resources (Surety expertise, our own Claims team, etc.) as well as suite of third party resources providing our customers with expert consultation on a variety of issues including HR, Loss Control, Valuations, and Legal expertise.

We have a very strong presence in the Surety world as we are active participants with the Chartered Institute of Logistics & Transport in North America (CILTNA), Canadian Society of Customs Brokers (CSCB) and the Women's International Shipping & Transportation Association (WISTA), to name a few.

Also, we are a full service insurance brokerage working in all aspects of Business Insurance including Property/Casualty, Directors & Officers Liability, Professional Liability, Marine, and Benefits.

SOLUTIONS BEYOND INSURANCE™

OUR OBJECTIVE

To provide clients with a comprehensive network of resources that offer professional guidance and advice on a broad range of matters to help manage their total cost of risk and strengthen their organizations.

McLean Hallmark Insurance Group Ltd. provides innovative and comprehensive approaches to risk management. Combined with our strong commitment to exceptional service, we are customer-oriented advisors who attract clients possessing the same entrepreneurial mind-set that is a cornerstone of our company.

On your behalf, we will identify, measure, and resolve all aspects of your risk. Together with our in-depth product knowledge, extensive experience, and long term relationships, our distinct vast network of resources can help assist with your business issues and manage your total cost of risk. Whether your needs can only be met in a specialized market in Canada, the United States, or abroad, we can make the connections.

At McLean Hallmark, we invest time into understanding your business first. This allows us to focus on helping you manage your cost of risk through a variety of specialized resources and expert knowledge. We work directly with underwriters to create the best response to your risk, and will communicate with you throughout the process and thereafter. Count on us to simplify and clarify the complexities so you can make secure decisions, anticipate change, and know you are well looked after.
